Your Cambridge Town Hall Wedding Guide

A Waikato wedding venue with a history of romance

Congratulations, and thank you for considering Cambridge Town Hall as a venue for your upcoming wedding. Built in 1909, the iconic pillars, Edwardian architecture and historical charm will lend an air of dignified romance to your big day and serve as the perfect backdrop for those once-in-a-lifetime photographs, no matter what the weather does.

As one of the most flexible venues in the Waikato, we offer many different options so you can create an event that suits your unique style and budget perfectly. A Town Hall wedding is a long-established classic tradition and whether you're planning a small, intimate ceremony or a huge reception, we'll help you create the day of your dreams.

“We loved getting married at the Cambridge Town Hall, a truly unique venue with plenty of flexibility for us to add our own flair to the event!”

Ceremony

With its Edwardian features and hardwood floor, the Main Hall provides the perfect space to walk down the aisle. Couples can select their own celebrant and may choose to marry on the stage in full view of up to 250 family and friends.

Smaller, more intimate ceremonies and elopements can be held in the Edwardian Room, with couples saying their vows at the raised dais before enjoying celebratory drinks at the bar.

Reception

Whether you choose to get married at the Town Hall, or hold your ceremony elsewhere, you can still host your reception here. With a maximum capacity of 500 people, and affordable self-catering or catered packages, you won't have to leave anyone off your guest list.

Catering

We're one of very few large venues that allow events to be self-catered, meaning you can significantly reduce the cost of your wedding by providing your own food, or selecting a caterer that best fits your budget and needs. Kitchen facilities include two standard fridges, two standard ovens, a turbo oven, microwave, dishwasher and plenty of benchtop space. Cambridge boasts an impressive range of caterers to suit all tastes and budgets and we can put you in touch with people who can help.

Bar

The Town Hall allows you the freedom to supply and serve your own soft and alcoholic drinks (as long as they're not being sold), which can help make your wedding budget go much further. If you intend to run a cash bar at your wedding you'll need to apply for a special license from Waipa District Council. It's a straightforward process, and we can help with this, but it's best to allow a minimum of 25 working days for your application to be processed.

Band/DJ

Every great celebration needs good music and your band or DJ can set up on the impressive stage in the Main Hall. As a venue designed for concerts and performances, the Hall's acoustics are excellent and the polished wooden floor is perfect for your first dance.

Photography

Iconic architectural features and an idyllic setting in the heart of pretty Cambridge provide the perfect backdrop for your forever photos. The Town Hall's charming sense of history and elegance will give your wedding photographer plenty of inspiration to set up the perfect shots, rain or shine.
